One of the worst offenders is the booklet "Living Sober". Contrary to the A.A. program, being based on an easier softer way, it is a direct contradiction to the Big Book. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. Specifically: 1. On page 117, return the second full paragraph to the following text: "Nearly every sound human being experiences, at some time in life, a compelling desire to find a mate of the opposite sex with whom the fullest possible union can be made - spiritual, mental, emotional, and physical. This mighty urge is the root of great human accomplishments, a creative energy that deeply influences our lives. God fashioned us in that way. So our question will be this: How, by Ignorance, compulsion, and sett-will, do we misuse this gift for our own destruction? We A.A. 's cannot pretend to offer full answers to age-old perplexities, but our own experience does provide certain answers that work for us." Remove the footnote on that page 2. No one wants to be agonized by the chronic pam of envy or to be paralyzed by sloth. Of course, most human beings don't suffer these defects al these rock-bottom levels." Remove the footnote on that page. Further, that no changes to the Big Book, Alcoholics Anonymous, as described in the 1997 Conference Action and others, or Twelve Steps and Twelve Traditions, as described in the 2002 Conference Action be implemented due to the strong sentiment that Bill Wilson's writings remain untouched	Trustees' Literature Committee	Forwarded to the Conference Literature Committee: Forwarded as a grouped item with the suggestion that the Conference Literature Committee consider forwarding the item to the general service areas for wider discussion looking toward setting a policy on how and whether to edit A.A. founder's words in our current literature.

Each year Conference Members formally agree to Conference procedures, including that they can decline to consider a floor action.

81	9/12/22	That the Conference or appropriate body consider creating a mechanism for future AA literature changes, balancing the intentions of individual proposed agenda items with a process to ensure all changes retain the essential messages of the original texts.	Trustees' Literature Committee	Not forwarded to Conference: The General Service Office Publishing Department has already in place a mechanism to ensure that the A.A. message is clear in all A.A. literature.
82	9/12/22	MOVE: An Advisory Action that the GSC recommends that the GSB impanel a committee drawn from throughout the Service structure with a charge to investigate and make recommendations to the GSB on solutions to the problem of growing isolation of the GSC from the needs and opinions of members and groups not represented by a GSR or represented by a GSR who is ineffective at drawing member attention to issues likely to concern ordinary members as distinct from issues more likely to concern the Service structure than ordinary members.
